Making a Difference throughout the Year

A message from Andrea DeYoung, incoming SCS Board President

This year, the school board has also been reading through “You Are Your Own Rabbi” by Daniel van der Giessen. We will continue this year-long liturgical exploration of what it means to live as disciples in the world you will inhabit. We look forward to sharing this journey with you!

A message from Tom Rietkerk, outgoing SCS Board President

This year we have made several intentional changes to our liturgies: rather than a “high-school lite” approach, we are tailoring our liturgies to make the school so special? what do we emphasize and encourage those liturgies and habits that make our school special?

We are completely changing our approach to grades 6-8 with the establishment of a middle school program starting Fall 2017. Rather than “high-school lite”, we are tailoring our liturgies and habits to make this school so special?

We continue to grow our parent/ecosystem involvement in our school, and invited you to dream with us about what we could do with these funds. As we continue to develop kingdom citizens.

Now is the time to make a difference! Partner with us as we continue to develop kingdom citizens. Thank you for your generosity!

Shoreline Christian School
Presidential Recap 2016-17: School’s Out

56th Anniversary Celebration

Help us celebrate 65 steadfast years as Shoreline Christian School on the evening of September 30, 2017.

Johathan Furl

• Our students ran 383 laps totaling 56.3 miles.
• We raised $22,359!
• Almost $500 more than last year.

Please continue to make a difference!
